## RULES AND REGULATIONS

The Obedience heat is a special class within the Open Rally Show and this Schedule should be read in conjunction with both that Schedule and Kennel Club Rally Competition Regulations S and Kennel Club Obedience Show Regulations G, available from the Kennel Club.

1. Dogs entered at Kennel Club licensed Shows must be registered at the Kennel Club in accordance with Kennel Club Regulations for Classification and Registration B.
2. All dogs registered and resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
3. Only dogs of six calendar months of age and over are eligible for competition at Kennel Club licensed Shows.
4. Not for competition entries will be accepted for dogs aged four calendar months and over. Dogs must be Kennel Club registered with their full details recorded on a Rally entry form.
5. Only Postal Entries will be accepted.
6. Running orders will be available online on the Stoneleigh Rally website ([www.stoneleighrally.co.uk](http://www.stoneleighrally.co.uk)) and will be sent by e-mail to relevant Team Leaders. Should a Team Leader wish to receive their running orders by post a stamped addressed envelope MUST be included with the entry form. Running orders MUST be strictly adhered to.
7. The Committee reserves to itself the right to refuse entries.
8. For the duration of the show all dogs, including those in the exercise area, must be on a lead except when competing or practising prior to competition.
9. No person shall carry out punitive correction or harsh handling of a dog at any time within the boundaries of the Show.
10. No competitor shall impugn the decision of the Judge or Judges.
11. No prize money is on offer.
12. **DOGS IN VEHICLES ON HOT DAYS DOGS IN VEHICLES ON HOT DAYS**

14. If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.
15. Welfare of Dogs
16. An exhibitor (or competitor) whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not knowingly put their dogs' health and welfare at risk by any action, default, omission or otherwise. A breach of this Regulation may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any Rally event licensed by the Kennel Club. This shall apply at the venue and within the precincts of the competition.
17. No modifications may be made to the Schedule once published except by permission of the Board of the Kennel Club which must be followed by advertisement in the Canine Press if possible.

No animal other than one officially entered shall be brought into the precincts of a competition during its continuance, except any dogs registered to assist the disabled, or dogs required for educational or instructional purposes or by permission of the Board. However, at the discretion of the host organisation, a dog brought to the show by a spectator may be admitted into the precincts of the competition, with the proviso that those in charge of the dog sign a declaration confirming the dog is free from disease and that the dog will be kept under proper control at all times.
20. Food and/or toys shall not be carried or given to a dog under test, except a toy may be used at the end of the Stop the Dog exercise. Competitors must not distract other dogs when rewarding their dog with play.

## **Obreedience Crufts Team Competition (Special) 2019 Introduction**

The aim of Obreedience is to encourage a wider variety of different breeds to take part in a competition which includes some of the exercises generally associated with Obedience. Obreedience is a team event and highlights the abilities of different breeds in a relaxed and fun competition.

Each team is comprised of four handlers and four dogs who take part in two rounds of competition. The first section requires all four dogs to complete a round of heelwork together as a group, with the dogs and handlers being assessed on their ability to complete different moves whilst remaining synchronised as a team. This first round is marked out of ten points.

Round two features four set exercises and each team member has to complete one of four different exercises. The exercises include a Retrieve (handler's own article), Send to Bed, Stop the Dog and Scent over Articles. Round two is marked out of 40 points (10 points per set exercise). Once all teams have completed the two rounds, the scores are compiled and the team with the highest score will be placed first.

### **Heats**

All heats must take place at Kennel Club licensed events and the class name in the schedule should replicate exactly the name of the competition as stated in these rules.

Dogs entered must be registered with the Kennel Club on the Breed Register or on the Activity Register, as a Kennel Club recognised pedigree breed (cross breeds are not eligible to compete in Obreedience).

To qualify for the final points will be accumulated throughout the year at designated heats.

The team name should remain the same throughout all the heats. Substitution of dogs or handlers cannot be made after the closing date for that heat. A dog may only compete in one team per heat.

If at the conclusion of the heats there is an equality of points, the team which has achieved the highest place will take preference.

The heats will be scheduled as a Special class for pedigree dogs. There will be separate heats with the top 10 teams at each heat eligible to receive points.

### **Eligibility**

Each team will consist of 4 dogs of the same breed with 4 separate handlers, plus up to 2 reserves at each heat. Teams are allowed to use different dogs at each heat, providing they are of the same breed. Only one team per breed will qualify for the Crufts final. No more than one dog in each team can have won out of Class A at Kennel Club licensed G regulation Open or Championship obedience shows.

### **Competition Rules**

The competition will include two rounds per team. The first round will be team heelwork, with the team either working side by side or one behind the other, as directed by the ring steward. The judge will be looking for consistency of teamwork, rather than competitive Obedience heelwork. The second round will involve one dog per team undertaking one of the following exercises: Scent, Send to Bed, Retrieve (handler's own article), Stop on Command and play. Should there be an equality of marks after both sections a run off will be held with both teams completing the heelwork exercise.

### DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts of travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- Keep the dog in the shade – take your own shade, for example a large umbrella, and always have plenty of water available to drink, so your dog stays well hydrated.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to Refuse Entries: Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulations to refuse any entry.
