# Special Classes

Please note that you may only enter a **maximum of 3** Rally classes. If you are entering standard classes then you must enter the class that you are eligible for and may also enter the next Level up. You may, if you wish, only enter special classes.

***All special classes are capped at 50 entries***

*Entries will be processed in the order in which they are received. If the capping limit is already exceeded your entry for that class will be refunded, please indicate on your entry form how you wish the remainder of your entry to be processed:*

- A – proceed with all other entries*
- B – refund all entries for that dog only*
- C – refund all entries for this show*

## Scoring for Special Classes

All the special classes will be scored in the same way as a standard class

However, for the special classes only, the following will earn a 10 point deduction instead of an “NQ”:

- Touching the dog to prompt an exercise
- Exceeding course time (unless an EMR for time has been approved)
- Consistently tight lead
- Handler misses or does not attempt an exercise

The following will still be treated as an “NQ”.

- Handler off-course
- Dog leaves the ring
- Nipping or mouthing
- Dogs out of control
- Dogs being ill or eliminating in the ring
- Harsh handling

*Please note that Special classes are not Qualifying classes so do not count towards titles or progression.*

## **Special 2 Plus, for dogs working Levels 1-3**

(Capped at 50 entries)

Open to all dog and handler teams who have not earned a Level 3 Title or higher

A simple course of 12-15 exercises from Levels 1 through 3 with a maximum of 8 static positions. The course is intended to help the transition to working off lead and help to boost the confidence of both the handler and their dog.

The first part of the course will be worked on lead.

The judge will indicate a next exercise (ending in a sit) where the handler removes the lead. The second part of the course will be worked off lead, again the judge will indicate an exercise ending in a sit for the handler to reattach the lead.

There will be a further 2-3 exercises on lead.

There should be a choice of bonuses – one on lead and one off lead, to be handler's choice.

(There is a 10 point forfeit if the whole course is worked on or off lead)

## **Special 6 Plus, for dogs working Level 4 & above**

(Capped at 50 entries)

Open to all dog and handler teams who have earned a Level 3 Title or higher

A challenging course of up to 18 exercises to offer an additional Rally challenge to higher level competitors, especially those in Level 6.

Design rules are relaxed including, but not limited to:

- The Judge may use as many signs as they like from each level
- The Judge may repeat a sign (or exercise) if desired
- Minimum distance between signs is relaxed
- Moving signs can be included in linked exercises i.e. "Sit Stand" "Walk back at heel"
- Exercises can be carried out at a different pace as long as safety is the first consideration
- Bonus exercises may be used within the actual course
- "Free choice" stations may be used. i.e. "Any Left Turn", "Any static exercise", "Any recall" etc

## Special Veteran, for dogs aged 8 years or greater (Capped at 50 entries)

*Open to all dogs who are 8 years or older on the day of the show*

A low-impact course of 12 to 15 signs with a maximum of 8 static positions, with no more than 3 changes of position per exercise, allowing our Golden Oldies an opportunity to show the youngsters how they used to do it!

The Judge may use as many signs as they like from each level but will not be using any of the Down on The Move, Down on Recall, Backup or Jump exercises.

## Special Fun Class, Open to all competitors (Capped at 50 entries)

Follow the White Rabbit down the rabbit hole, watch out for the Queen of Hearts and maybe you'll glimpse the Cheshire Cat.

Our Alice in Wonderland themed fun class may include exercises from all levels with possibly some added extras.

Suspend belief and be prepared for lots of fun!  
What will the Judge come up with?

*NB: If our judge chooses to use a jump and a dog under 12 months is entered then the pole will be laid on the ground for that dog.*

## ELIGIBILITY AND SCHEDULE OF CLASSES

### Classes at Rally Competitions

A competition host may stage one or more special classes not conforming to the standard class tests set out in Annex C of the Regulations. Such classes must contain the word 'Special' in the title of the class, and shall not count towards progression, titles or awards in standard competition classes.

### Levels

Rally handler/dog teams compete in their lowest eligible class from Level 1 to Level 6. They may also compete at the subsequent level.

Progression to the next level does not require either wins or places. Progression is dependent upon gaining three Excellent scores, under three different judges, or six qualifying scores under four different judges.

Levels 1 – 4 have a qualifying score of 175 out of 200.

Levels 5 & 6 have a qualifying score of 180 out of 200.

Scores equivalent to these qualifying scores (or greater) earned at Limited Rally Competitions do not count towards Progression, Rally Level Titles or Excellent titles.

In all levels a qualifying score of 190 or above equates to an excellent score.

### Eligibility

When entered for a competition, a dog must be entered in a standard class at the level for which it is eligible (*unless only entering special classes*)

The dog may also, if desired, be entered in up to two additional classes, one further standard class at the next level up, if scheduled, one additional special class, if scheduled, or two additional special classes.
