# Stoneleigh Rally Challenge Awards

Successful submissions will receive an Award Certificate and Ribbon

## Purple Award £12

For this award you will need to submit any five squares, the choice is yours.  
All your squares may be filmed in the same place.

## Green Award £15

Submit a further 10 squares, again the choice is yours.  
You must film at least one square in a new location (i.e. in a different part of your garden or at your local park).

## Rainbow Award £20

Complete the board (so a further 20 squares).  
You must film at least one of your additional squares in a new location making at least 3 different locations in total.

These challenges have been designed to be living room friendly so all the squares can be completed inside, although if the weather and restrictions in your area allow you are welcome to film outside. More details on the individual squares can be found in the dedicated Facebook group.

To claim your Challenge Award please submit videos of your chosen squares through the claim form on the website. Videos can be edited together but must clearly state which square is being claimed. Each Challenge Award submission must be accompanied by the submission fee.

The assessors' decisions are final. All training should be a positive experience for both dog and handler, luring or handling your dog into position will result in that square needing to be resubmitted. You may have treats and/or toys on your person but these should not be used as a lure. You are encouraged to reward at the end of each square. All submitted squares must pass before your Award is confirmed. If only one square needs to be resubmitted this will be reassessed free of charge, however, if two or more of your squares are not passed at your first submission then there will be a reassessment fee of £5. Harsh handling will not be tolerated and will require full resubmission with no refund.

For more information, including overseas submission rates, please contact us on [challenge@stoneleighbally.co.uk](mailto:challenge@stoneleighbally.co.uk).
